1. Welcome to our two new members.
2. A Gos brought forward the finances and showed the group the annual summary. Balance of £684.27. A Gos handed over the items to LH who has kindly agreed to take over the treasurer role from now, with support with stock purchase etc. This is an important 'job' which we are very grateful to LH for taking on board! The group thanked A Gos for all her hard work for the last 7 years. Bank mandates will be transferred. Audrey will continue to support and help out at events. Audrey left the meeting.
3. The website continues to be updated and our meeting minutes are all on the site.
