

THE KING'S ACADEMY

Emmanuel Schools Foundation

To All Parents of Year 10 Students

Tuesday 15 February 2022

Dear Parent/Carer

Year 10 Rehearsal Examinations: Tuesday 1 March
Year 10 Parents' Evening: Thursday 7 April, 4.30pm – 7.30pm

In a little over a year's time, our current Year 10 students will commence final public examinations in their Key Stage 4 qualifications. While a year may seem a long time away, students' intensive preparations for these assessments will begin towards the end of this academic year, with an extensive support programme in place for all students as they enter Year 11 in September. This is all the more important for this cohort given the disruption to their studies that students have faced in the last few years.

Year 10 rehearsal examinations will be according to the attached schedule. Teachers will give guidance on revision techniques and on the topics which students should be revising from Year 9 as well as Year 10.

Students should therefore be undertaking independent revision and using evenings, weekends and some holiday time additional to this work in class. Guidance on general revision techniques, including a revision planner, can be found on the Academy's website at the link below.

<http://www.thekingsacademy.org.uk/students/revision/>

The results and analysis of these examinations will be used by teachers to plan for and guide students' next steps, including a package of summer work to help close gaps in students' knowledge and understanding. For students to get the most out of these examinations and receive the right support afterwards, it is vital that they engage in a full revision programme from now, including spending time in revision during Easter and May half-term holidays.

Students will receive their interim reports, including the results of these examinations on Wednesday 6 April. I would also like to invite you to attend the Year 10 Parents' Evening on Thursday 7 April where you will have the opportunity to discuss your child's progress with staff.

Yours sincerely,

Mr S Reader
Senior Vice Principal

Year 10 Rehearsal Examinations Schedule 2022

	Periods 1 & 2	Periods 3 & 4	Periods 6 & 7
Tuesday 1 March	English Language 1hr 45min	Computer Science 1hr 30min	Geography The Physical Environment 1hr 15min
