

THE KING'S ACADEMY

Emmanuel Schools Foundation

To All Parents of Year 9 Students

Wednesday 9 March 2022

Dear Parents

Year 9 Rehearsal Examinations: Monday 28 March – Friday 1 April (see over)
Year 9 Parents' Evening and Pathways Briefings: Tuesday 10 May, 4:30 – 7:30pm

Year 9 Rehearsal Examinations will take place between Monday 28 and Friday 1 April, according to the attached schedule.

These are important examinations that will assess students' understanding of the work covered this year and, in some cases, material studied in years 7 and 8. Teachers will give guidance on the topics which students should be revising. These examinations will be vital in assisting staff to determine the courses that your child will follow in years 10 and 11.

These are important examinations that will assess students' understanding of the work covered so far this year. The results of these examinations will also be crucial in determining students' pathways for Year 10 and the options subjects that students will be able to study. It is therefore vital that all students prepare thoroughly for these examinations and that they demonstrate their full potential in their subjects.

Teachers will be working with students to communicate the key topics and examination techniques required for the forthcoming examinations. Students should therefore be undertaking independent revision additional to this work in class. Guidance on general revision techniques, including a revision planner, can be found on the Academy's website at the link below.

Students will receive their interim reports, including the results of these examinations, on Friday 6 May.

I would also like to invite you to attend the Year 9 Parents' Evening and Pathways Briefings on Tuesday 10 May where you will have the opportunity to discuss your child's progress with staff and receive important information about your child's Year 10 curriculum and the next stage in the options process.

Yours sincerely

Mr S Reader
Senior Vice Principal
