Dear Parents and Carers

**Free breakfast for Years 10/11, every morning 8-8.15am**

We have recently advertised widely amongst the above year groups the opportunity to take advantage of a free breakfast every morning- a continuation of the breakfast packs provided by the academy last year, and ongoing support as the cost of living rises.

This breakfast consists of a toasted, buttered bagel and/or a bowl of cereal. It is intended to be a good opportunity to start the day well- especially for Year 11 as their public exams take place- eating and spending time with friends. It may also be of particular use to working parents who need to drop their child off early for school.

Please note the following:

- As stated above, this is at **no cost** to parents and it is already in operation.
- It is a healthy and nutritious breakfast available to **all** students- there will also be fresh drinking water on the tables and medical dietary requirements will be catered for.
- The breakfast will be provided in the downstairs restaurant, with entry through the fire exit doors at the front of the building.
- It is a safe environment with staff supervision.
- It is available from 8:00am.
- Service will end at 8:15am.
- This will continue for the duration of the summer term.
- You do not need to register your child.

We look forward to many of our students taking advantage of this offer and would appreciate your support in encouraging your child to attend. This should 'fuel their learning' for the day, as breakfast is proven to enable children to focus more and be less tired.

Yours sincerely
